

SOLTECH LIMITED

Below is a list of the company's on-going and completed Consultancy Services and Engineering, Procurement and Construction (EPC) projects

A. CONSULTANCY SERVICES

1. Rural Electrification Agency Consultancy Services Contract for the Development of FEED (Front-End Engineering Design) for Preparation of Bidding Documents for seven (7) Universities and two (2) University Teaching Hospitals Phase II Projects.
Nigeria Electrification Project (NEP), IDA Credit #62910.
Contract No. REA-NEP/C/CQS/15A/18
Contract Award Date: 27th November, 2019
Status: On-going
2. Mono Tech Input (MTi) Sub-Consultancy Services Contract for Energy Audit of Federal Universities Communities in Nigeria.
Contract No. MTI/PP/06/LL002
Contract award Date: 4th November, 2016
Status: Completed
3. Edewor Estate Consultancy Services for suitable Energy Audit for Design and Installation of Solar Hybrid PV power Plant.
Contract Award Date: 11th April, 2000
Status: Completed
4. Petroleum (Special) Trust Fund Supervising Consultancy Services for the construction of Owerri-Ahoada 132kV Line under the National Rural Electrification Programme : Bulk Power Supply
Project: LOT 13,Owerri – Ahoada 132kV line
Contract Award Date: 17th February, 1999

Status: Completed

B. ENGINEERING, PROCUREMENT AND CONSTRUCTION (EPC)

1. Extension of 33kV Bay at Ajaokuta Transmission Station & reconstruction of a Section of Vandalized Ajaokuta Confluence Beach 33kV Line to Feed Niger Delta Power Holding Company (NDPHC) residential Camp at Ajaokuta Steel City, Kogi State.

Client: Niger Delta Power Holding Company (NDPHC),

Contact Award Date: 17th March, 2020

Contract Duration: Six (6) months

Status: On-going

2. Upgrade of Issele-Uku 1x7.5MVA 33/11kV Injection Substation to 2x7.5MVA 33/11kV Injection Substation and Restoration of Electricity Supply to Ukwu-Nzu/Obomkpa/Ugboba, Issele-Mkpitime and Onicha-Olona Towns

Client: Niger Delta Power Holding Company (NDPHC),

Contact Award Date: 31st December, 2019

Contract Duration: Nine (9) months

Status: On-going

3. EPC for 1x15MVA 33/11kV Injection Substation with 4km of 33kV and 3km of 11kV Lines and 4No. 300KVA 11/0.415kV Distribution Substations at University of Benin Ekehuan Campus Benin City. Edo State

Client: Niger Delta Power Holding Company (NDPHC),

Contact Award Date: 26th June, 2019

Contract Duration: Nine (9) months

Status: Completed

4. EPC Subcontract for 9.875km of 11kV Line Installation of 293No. Completely Self-Protected (CSP) distribution Transformers under LOT D-EPC-PH4/39 and LOT D-EPC-PH6/41

Client: Nelson-C-Strabek Engineering Services limited

Contact Award Date: 4th April, 2019

Contract Duration: Twelve (12) months

Status: On-going

5. EPC Subcontract for 2x 60/80MVA 11.5/132kV Step-Up Transformer Transmission Substation at Delta State Independent Power Plant at Oghareki.

Client: DavNotch Nigeria Limited (Main EPC Contractor)

Contract Award Date: 14th February, 2014

Contract Duration: Eighteen (18) months

STATUS: On-going (Stalled due to a dispute between Delta State IPP

and

DavNotch Nigeria Limited the (Main Contractor)

Engineering: Completed

Erection of gantries and equipment foundations: Completed

Earthing of foundation re-bars: Completed

Sand filling of switchyard: Completed

Awaiting Off-Shore equipment.

6. Subcontract for the installation and commissioning of:

(i) Dutse Alhaji 1x7.5MVA 33/11kV Injection Substation and the associated Outdoor and Indoor Equipment

(ii) Dikko 2x7.5MVA 33/11kV Injection Substation and the associated Outdoor and Indoor Equipment

- (iii) Dei-Dei 2x7.5MVA 33/11kV Injection Substation and the associated Outdoor and Indoor Equipment
- (iv) Minna 2x7.5MVA 33/11kV Injection Substation and the associated Outdoor and Indoor Equipment
- (v) Kubwa 2x15MVA 33/11kV Injection Substation and the associated Outdoor and Indoor Equipment
- (vi) 400No. 50KVA 11/0.415kV Completely Self Protected (CSP) transformers

Client: Income Electrix Limited

Contact Award Date: 25th January, 2012

Contract Duration: Twelve (12) months

Status: Completed

In addition to the above, Soltech Limited has also completed Engineering, Procurement and Construction of over twenty six (26) 33/0.415kV and 11/0.415kV distribution projects and commissioned same. Some of the projects are listed below:

- Engineering, Procurement and Construction of Ibiasoegbe 11kV line extension and commissioning.

Client: Niger Delta Power Holding Company

Contract Award Date: 25th February, 2015

Contract Lot: LOT D-EPC-EN4/16

Status: Completed

- Engineering, Procurement & Construction of 33kV line from Asaba 330/132/33kV Transmission Station to Ibusa/Summit Junction

Client: Niger Delta Power Holding Company

Contract Award Date: 2th August, 2014

Status: Completed

- Engineering, Procurement & Construction 33kV line from Ibusa Police Station to 7.5MVA 33/11kV Injection Substation on Ibusa/Ogwashi Uku Road to connect Asaba 330/132/33kV Transmission Station
Client: Niger Delta Power Holding Company
Contract Award Date: 2nd December, 2014
Status: Completed
- Construction of Agor – Ikpeshi 33KV Feeders under FGN 2009 Capital Budget.
Client: Benin Electricity Distribution Company
Contract Award Date: 2010
Status: Completed
- Design and construction of Ilawe-Iyin-Aramoko 9.6km 33kV line under the 2010 Multi Year Tariff Order (MYTO)
Client: Benin Electricity Distribution Company
Contract Award Date: 2011
Status: Completed
- Electrification of Igah Ikeje (Phase II) in Kogi State
Client: Rural Electrification Agency
Contract award Date: 2008
Status: Completed
- Electrification of Emnya-Gegu (Gegu- Girinya) in Kogi State
Client: Rural Electrification Agency
Contract Award Date: 2008
Status: Completed
- Design and construction of Njibuluwa Electrification Project in Yobe State
Client: Federal Ministry of Power

Contract award date: 2003

Status: Completed

- Design and construction of Arogbo, Gaa, Ogunade and

Olotin/Olowomeje

Electrification Projects in Ondo State

Client: Federal Ministry of Power

Contract award Date: 2003

Status: Completed

- Design and construction of Ojuwo Ebenechi – Etobe 33kV Inter Township

Connection Line in Kogi State

Client: Federal Ministry of Power

Contract Award Date: 2003

Status: Completed

- Design and construction of Akwukwu Igbo Electrification Project in Delta State.

Client: Federal Ministry of Power

Contract Award Date: 2001

Status: Completed
